

Strike a Match - *Light a Candle Campaign*

As we move forward with phase one of our Capital Campaign, despite delays due to Hurricane Harvey and set-backs with the permitting process, an anonymous donor -- with a deep love for Annunciation -- has challenged other donors to surpass our minimum goal of \$2 million and begin construction on our church. This donor has offered a matching challenge for our "Strike a Match - Light a Candle" campaign.

The donor will match your gift, dollar-for-dollar, for up to \$100,000 from now until the end of 2017. This will take us from \$1.8 million to the \$2 million minimum goal and onto our \$4 million goal by matching your completely tax-deductible gift!

Ready to donate? Visit:

<https://connectnowgiving.parishsoft.com/g3/h/>

And select "Quick Give."

Or contact Elsie Hernandez at

development@annunciationcc.org

For donations received in November, we'll light a candle in remembrance of your deceased loved ones at the Our Lady of Perpetual Help Chapel. And in December, a candle will be lit for you/your family.

With your help, we can light up our church and, by the end of the year, light a path to our \$4 million challenge goal.
